

**VA**  
**HEALTH**  
**CARE**

Defining  
**EXCELLENCE**  
in the 21st Century

South Texas Veterans Health Care System will join  
VA's national **"Go Green"** initiative  
which will affect patient travel mileage reimbursement.

Effective May 7, 2012, Veterans may receive **Electronic Funds Transfer (EFT)** forms for **direct deposit** which will be used for processing **reimbursement** of their beneficiary travel claims. This process will allow us to improve our service to our Veterans and help reduce long lines, fraud, eliminate lost checks and duplicate payments.

**The forms to apply for EFT for direct deposit are available at STVHCS travel office and outpatient clinics.**

For more information, please contact the STVHCS Travel Office at (210) 617-5300 ext. 15333
